To Whom It May Concern:

Robert Naylor has been a conscientious, dedicated, and responsible worker. He has been a most enjoyable and pleasant person to work with. He excels in all or most tasks given to him, and is always punctual with his work. Over the years, I found him to be quite versatile, and a definite asset to our company and myself. I would certainly recommend him to anyone who desires a well-rounded and excellent employee. Please feel free to contact me for a personal reference.

Sincerely,
